4. Please explain in this section what the councillor has done that you believe breaches the Code of Conduct. If you are complaining about more than one councillor you should clearly explain what each individual person has done that you believe breaches the Code of Conduct.

It is important that you provide all the information you wish to have taken into account by the Monitoring Officer when he (acting in consultation with the Independent Person) decides whether to take any action on your complaint. For example:

- You should be specific, wherever possible, about exactly what you are alleging the councillor said or did. For instance, instead of writing that the councillor has conducted himself in a manner which could reasonably be regarded as bringing his office or the Authority into disrepute, you should state what it was they said or did.
- You should provide the dates of the alleged incidents wherever possible. If you cannot provide exact dates it is important to give a general timeframe.
- You should confirm whether there are any witnesses to the alleged conduct and provide their names and contact details if possible.
- You should provide any relevant background information.
