

Dunorlan Park Fishing Rules

Dunorlan Lake holds a reasonable stock of most species of freshwater lake fish.

A programme of replanting marginal plants is ongoing to help enhance the lake edge and improve water quality. In order to help us to maintain and improve the quality of the fish we ask you to take great care of all the fish you catch whatever size and please abide by the rules of this list. Please use the correct tackle for the fish you wish to catch, enjoy your time fishing here at Dunorlan Park.

Environment Agency Licence is always required
Fishing from dawn till dusk
No night fishing is allowed
