Council Tax Disregard Application Status Discount for an Apprentice

The Council Tax charge is based upon the number of people living in a dwelling. If you are “disregarded” it means that we do not count you when we work out the number of people living there.

When counting the number of people living in a dwelling, if there is just one person living there, a 25% discount may be granted. If all the residents at a dwelling are “disregarded” a 50% discount may be granted.

If there are two or more residents in a household who are not entitled to status discount, the discount will not apply and the full council tax charge will be payable.

The following criteria must apply in order for a person to qualify for status discount as an apprentice.

He/She is;-

employed for the purpose of learning a trade, business, profession, office, employment or vocation:

employed at a salary or in receipt of an allowance or both, which are, in total substantially less than the salary he/she would be likely to receive if he/she had achieved the qualification in question;

and

no more than £195.00 per week.

The application form should be completed by the applicant and the apprentice’s employer, and returned with copies of two monthly, five weekly, or three fortnightly wage slips as evidence of salary.

The completed form should be returned to PO Box 1358, Maidstone, Kent, ME14 9US, or scanned and e-mailed to counciltax@tunbridgewells.gov.uk
