The interactive population pyramids (Figure 2) allow you to explore the results of the 2018-based population projections for local authorities, counties, regions and England as a whole. By choosing the name of an area you can see how the size and age structure of its population is projected to change. You can create age groups by highlighting your desired ages and can also compare two areas at once.

Figure 2: Population age structure by single year of age and sex for local authorities, counties, regions and England as a whole, mid-2018 to mid-2043

Office for National Statistics, Northern Ireland Statistics and Research Agency, National Records of Scotland and Welsh Government
